"I've told loads of people about {my} dentist because it's such a great service - you get seen when you need to and it's reasonably priced"

How we keep the costs down

Normally, these benefits would add to your final dental bill – but since we are the **largest UK dental chain**, you get shared access to the **latest technologies** from **UK laboratories** and **market leading global suppliers** we have partnered with to make sure you get the **highest quality of care** at the **lowest price**.

Flexible finance*

We will work with you to ensure that your treatment is affordable. You'll have access to a choice of finance options, such as flexible monthly payments to work around your other financial commitments.

Affordable private dentistry comes with clear pricing, flexible finance and no hidden fees. You can finally get the smile of your dreams at a price you can afford – leaving you with more left in your pocket to treat yourself with!
